SEPTEMBER 2019

Sun Belt Commissioner Keith Gill Visits The Lady Eagles

Last month Georgia Southern welcomed new Sun Belt Commissioner Keith Gill to campus. In this time, Coach Howard and Commissioner Gill were able to discuss the future of the Sun Belt including the conference's strategic plan, scheduling and the future of the conference tournament. Coach Howard appreciated the opportunity for her and her staff to get to know the commissioner and the conference better. Commissioner Gill made the most of the opportunity to build relationships with the coaches!

LADY EAGLES Current Events

Georgia Southern's Operation Move-In is a collaborative effort for faculty, staff, student and community volunteers to assist in welcoming our students back to campus.

Our coaching staff assisted in getting our students back into the residence halls by meeting and greeting families, answering questions, monitoring elevator traffic, unloading cars, and many other activities that go into moving about 3,000 students into the residence halls in 8 hours!

Coach's Corner

Hello all! I hope that you are as excited as I am about the upcoming season. The team has a renewed energy and focus. They are working extremely hard to prepare for competition. We aim to make you proud. We are putting in the work now, so that you can see an exciting brand of basketball during the 2019-2020 season. I am blessed to have these young ladies as new members of my family. Furthermore, I honor the privilege

of serving as your new head women's basketball coach. Eagle Nation is a great place to call home. We can't do it without you though! The sixth man will be vital to our success this year. We need you to turn out to the games and give us your energy, as we face our foes. I'm hoping we can count on you to come see what we've been working on! Hail Southern!
